“ I was friends with Andrew back in our Rochambeau Middle School days in Southbury and later at Pomperaug High before I moved away. We stayed in touch here and there on Facebook over the years. Very sad to hear this news—my condolences to his family. Rest in peace, old friend.

“ My condolences goes to Andrew’s family who lost another one way too young. Andrew had a heart of gold. He was patient, kind, caring, humble, funny as could be, I never laughed and smiled with someone so much in my life. He was always my other half, and when I talk to him, I felt whole again. he always knew when something was wrong- (almost psychic abilities )and he always knew what to say to make someone feel better. He always had the most witty comebacks!! For anybody that knew him they know he would give the shirt off of his back if you needed it and he would go the extra miles to make sure you knew you were loved! He was an amazing dad adored his kids! Sometimes I wondered if he was even from the century, they don’t make people the way God made him! I know his mom believed in reincarnation, so now I’ll be able to look out..... I’ll know that soul anywhere if I ever see it again! May all of your good memories of him stay alive through you!!
