“ The Best Iceberg maker in the world! My grandma, God this pain is different! Dut, we’re missing you! We wasn’t ready, but God was ready for your presence. Some people don’t believe after death we are in God’s presence. But Corinthians 5:8 says " we are confident, I say, and willing rather to be absent from the body, and to be present with the lord. So it brings me little comfort knowing you’re not in pain anymore and present with God. But my selfishness wants you here with us.

Missing you like crazy Old Lady! Love You Forever Bert, Thanks for being one of my favorite girls!!!
