Cobi Amir King

Cobi Amir King was born on the night of October 16th, 2021 at Ochsner West Bank Medical Center. At just 34 weeks he weighed 4lbs and was 18in long of pure sweetness. At the time of his delivery, it was apparent that Cobi was special, he had an extra chromosome and was diagnosed with Trisomy 18. From the moment we saw him, we fell in love. Cobi was truly a warrior! Though deemed "incompatible with life" by many in the medical community, Cobi defied the odds for 16 months. He smiled, babbled, snuggled, held our hands, held his head up when others said he wouldn't, watched his favorite shows, and spoke volumes with his beautiful eyes. Jesus called our sweet boy home on February 21st, 2023. Although he is physically gone, he will forever be held in our hearts. Cobi Amir King (Jackson) is survived by his mothers Amanda Banaszak and Kaylee King, Grandparents Cassandra Green, Dennis and Jeanette Hurlbert, Cheryle Hasty King, and Byron and Wanda King, as well as several siblings, aunts, uncles, cousins, nurses, doctors and many more to whom his sweet spirit brought happiness and joy.
