Dante worked for me for a month or two back in 2019 on a masonry project in Vermont - he was heading out of Burlington once the job got done. The last time I communicated with him I had texted him that I had given him a stellar job reference (Dec. '22).

He was a good worker. Honest and hardworking. Clearly, he has the soul of a poet. Long live Dante! I always figured we'd work together again...

“ Hi, my name is Dean. I met Dante in Los Angeles. I just heard about his passing today. I am really sorry. As a music business professional Dante would bounce songs and ideas past me and ask for my feedback /advice which I was happy to share. Although I didn't get to know him well we easily became friends. Around the 25th of may he sent me audio snippets of three songs he was working on that he recorded in his kitchen. Let me know how to forward them to you. Peace and love

Thank you Dean of Los Angeles. Dante's sister, Elen and I have tried to gather his art and music together. I would appreciate your contact to speak further about it. I am in NY at 845-901-8061 and have a sister in LA. I'm glad you shared and I hope you see this message more quickly than I have. Peace, Rita, Dante's MoM
