Born on April 29, 1952 in Fontainebleau, France, Ed was a lifelong resident of Marrero, La where he worked hard with his brother Garry at their company A&W Wholesale. He was a hard worker. He was generous. He was

grumpy. He was funny. He lived life his way. He was LOVED and he will be greatly missed. Ed was loved by many and there is so much more that could be said about him, but the words of his brother Garry sum up just how much he meant to us all.

"My big brother Ed. My hero.

Ed made me feel safe when I was with him.

He would always be there for me and me for him.

The best brother ever. The best salesman I know.

I will miss him so much and I'll always have him in my heart.

He was my big brother and closest friend.

He lived large no matter what the circumstances were.

He inspired me and made me a better man.

I loved him as much as a brother could."

A private memorial service with Ed's family will be held at a future date.

“ My brother-in-law Ed was “always” very kind to me. He and Garry were business partners for most of their adult lives. While that didn't come without it's own challenges Ed was always there for us. Looking back...it was our pleasure and honor to be there for him when life got physically challenging during those latter years. We were blessed to have Ed as parters in life. Rest In Peace Ed. Much love, Karla ❤️

We met Ed and his family decades ago !! Ed used to deliver Frito / Lay products, Beefsticks/ Jerky & snacks to Spur Station on Stump & Whitney. We spent many Halloweens, Mardi Gras & New Years Eves together. Ed donated a LOT of candy to David & Julie's Free haunted house & participated . He & family always went to Bud& Carol's for parades. Ed would bring a couple boxes of snacks . Chips , peanuts 🥜, etc. for children to enjoy . Ed was generous. Ed will be missed . Prayers of comfort to family and friends.

*He was a great brother who would give you the shirt off of his back. He was a very generous man. He was definitely one of a kind. He was sick for the last 18 months and never complained about anything. He never wanted anyone to do anything for him. The last three weeks were rough but he still never complained. He never missed a birthday even if he was a day early or a day late. He would call for New years to wish us all a good one. I will miss all of the visits with him and most of all his phone calls. He loved big and loved all of his family. He will definitely be missed but not forgotten. He will be loved ❤️ forever. RIP big brother and fly high. Your baby and bossy sister Diane.*

We will also miss his weekly phone calls, chit chatting, complaining about life's unfair issues, and lots of laughter 😂 Ed, my sweetheart, you may be gone, but never will you be forgotten ❤️ Your sister Dolores 🤔❤️*
