“ We have lost my precious niece, Emily. How did this happen? You were only thirty-nine years old. You were funny and smart and meant so much to me. No more pain now. Rest easy Em. Love you for always...Aunt Boo.

“ A piece of my heart died with you and I will never, ever be the same. You were my sister, my best friend, my partner in crime... this is such a devastating, heartbreaking loss. I am going to stay strong and do my best by your sons. Having them here with me is a true blessing and I'm so grateful for them. I won't see you for a long time, so for now I'll see you in every sunrise, orb, sunset and star. I'll feel you in the wind, rain and the sun on my face. Goodbye, my beautiful sister. I love you with all of me!

“ Our beautiful daughter, Emily, left us last Saturday. She was wickedly intelligent and musically gifted, but her emotional pain and illness would not allow her to fulfill her dreams and potential. After a lifetime of torment on earth, she is now at peace in a better place. I will miss you everyday Ems, for the rest of my life, but God will bring us together again one day. I love you so very much. Mama.
