“ Not a day goes by that I don't miss you son. It's so hard to go thru life without you here. Jayma is getting so big and she misses her big brother. I would give anything to hear your voice one more time. To see your smile. I miss you tremendously. I pray your finally at peace and I know we will be together again one day soon. I am so sorry for all the mistakes I made as a parent but one thing I know I did right was you. You were an amazing, funny, caring person and I miss you more then words can ever say.
