“ Heather, We met in high school and have been friends since. You had such a huge heart and have left such a great impact on others. I am glad you are not suffering anymore, but I will miss you till we meet again. I love you Sis💕

“ Where do I begin? You have been my very best friend for 40+ years. You and I could have fun and make an adventure out of any situation. There are so many inside jokes that we shared. I know that you were suffering and I am happy that you are resting now. The pain is gone. Please give Sonny and D a big hug from me. I will see you again! I love you always.

“ I will never forget you my sweet beautiful friend. We had so many great experiences and fun times together. Even if it was just acting silly, you were the best at making me laugh with your voices. You were one of my best friends and I'm sad that we lost touch. I kept thinking about you weeks ago, wanting to talk and I'll be sad for a long time that I didn't get that chance again. I know you're ok now, no more pain, and with Sonny and D. I hope you know how much I cared and loved you. Rest In Peace Heather, my Chim. 💕

❤️ Heidi

Prayers for Lindsay and your family.

“ *I'm always going to love you, just like you loved me, and I hope with all of my being that your spirit is at peace. Even though you're gone, you will live in so many people's hearts, but most especially mine. You and Paw Paw Sonny and Maw Maw D will be remembered every single day for the rest of my life. Love you, Mom. I hope you and Smokie and your mom and dad are watching over Autumn, Kevin and me.*
