“ Joey your life was ended to soon... Sometimes it just isn't fair... We're never supposed to question God but it's just hard not to... We have had some good childhood memories together and throughout our adult years... I know you're body is healed and in a much better place... I know you're having a good time with all of our loved ones, especially Granny and Pawpaw... Please give them a hug and a kiss for me... I'll always love you Joey and you will truly be missed....
