“ I remember Josh telling me how much he loved to play music. I never recalled seeing him smile before that day but when he did, I knew right then and there music was his passion. Rest in peace bro! You will be missed.

“ I knew Josh when he was just a little kid filled with life... He wouldn't go a day without me telling him I love him . Every time he calls my name!! That was our own little bond!! I'm praying for his mom and sister! I know this is so hard! But he is at peace! -Ree

“ Josh, I love you so much. There's so many memories that I could share, since you were my little brother. So many times you have gotten on my nerves, fought with me for no reason, and did things to me just to get my reaction.... but I wouldn't have wanted it any other way. We used to do so many things together, and sadly we grew apart... because, well, life happened. I'm glad we got to go to a concert together, to a band you introduced to me, Aman Amarth. I'm glad we got to spend that time together. I'm saddened that you are no longer with us in body form, but I know you will be with us spiritually. I love you and keep rocking on.
