“ You left this earth to soon. Even though we have many years in age apart. There is many good things I remember about you. You were Tall 6ft 2in, Blonde, blue eyed man. (You know the ladies all loved you) You always worked a job. Living in Texas you were a real cowboy, horse, hat, belt buckle, and even a truck. You drove them Big Rigs for most your life, I think it was the freedom of that open road or maybe them beautiful sunsets, that kept you driving them Semi-Trucks. That road took you to Louisiana were you lived the last 10 years. You were Mom's first born and that is special because you paved the road for her to want to have many more kids. You must have been a great kid, I know you were a cute kid 😊 so thank you or she would have stopped at you lol. I don't believe death is the end, so since I believe in reincarnation, I hope you come back with good memories of us. December 23, 2022 Peace be with you my brother. Till we meet again in the next life. I love you ((((((hugs)))))))) My profile photo is for you Kenny. I hope it lights your way .
