“OMG! Kevin I can not believe your gone! I have so many great memories with you. You and Brandy took me in not knowing anything about me yet made me feel instantly lie family.... We got into so much mischief lol and cried so many tears with every life changing moments....I'll always remember you coming to my room with a blunt saying "bitch get up it's time to smoke" or driving down the road singing at the top of our lungs like we were rock stars...this is never goodbye it's just simply see you later. I love you sister-thang-thang. Forever in my heart
