“ Ms Liz how well i remember her i met her when I was in my early 20s I was friends with Carol and still is Ms Liz was a very sweet lady love to cook she taught me a few things about cooking I would go to her house to visit as we lived just across the fence from one another and over the years we always managed to move close to one another I worked at Walgreens in the Quarters and she worked for the Marriott and would come to see me now she loved her grandkids I used to comb Tonia hair that's what I called her Nicole was quite but loved to eat and Stephanie was shy I kept them sometimes .The last I saw her was at the hospital in 2019 I loved her always talked to her about everything was like a second mom .She came to my rescue once she didn't play. Family you had a jewel she will be miss but always in our hearts Carol you did well sending her off love one another forgive each other that's what she wanted because that who she was and her spirit still is love yall and To God be the glory for all he done in her life.
