“ malcolm always asked me to share the story of when we first met. i picked up his card at the divorce center in 1992. it was the third time i had heard about something called a course in miracles--a course for inner peace, and i heard it contained 365 lessons. i called him and asked if if this stuff really worked because i wasn't spending a year of my time reading this stuff if it didn't. ( He always said i was his most skeptical student). He would ask me to tell this story then he would ask me does it work? And here i am over 30 years later still saying YES it really works! Thank you malcolm for bringing me this beautiful body of knowledge that changed my life. You changed my life. Peace be to you my friend
