“ I met Malinda while attending Summer School at Nicholls State University, back in the 1980's. With the rest of the females who attended Summer School from the Edgard area and West St. John High, she was very nice! Since then, we have moved and gone on with our lives. But with the invention of the Internet, We were able to keep up with Family and Friends, therefore, I was able to reconnect with Malinda once I moved away from the state of Louisiana. She did marry a 1st Cousin of mine, Troy Stewart, therefore, we became cousin-in-laws. When communicating with her on Facebook, She always seemed so pleasant and uplifting, I would always chat with her, and she Always seemed so Pleasant and Encouraging! Since She seemed to work in behalf of God and Jesus, I Pray they let her come to Heaven with them, Be with them, and Relatives she Prayed Get to Heaven, and she can walk with her white raiment that the Bible talks about. Although Malinda went to West St. John High, and I went to St. James High, we graduated High School the same year, 1982. Out of all the females I know from out there in the country, St. James and St. John the Baptist Parish, being that I am originally from New Orleans, and Marrero, Louisiana before moving out to the country where my Moma is from, She is one of the nicest ones I know my age! Therefore, I will look to see her in Heaven, because I am also trying to make it there! Please God and Jesus, Make us all Feel Better with Your Love, Compassion, Understanding, Strengthening, and Lead Us Home to You to Have Eternal Life in Heaven! Amen!
