“ *I will miss my sweet friend!*

Bonnie Prine - May 08, 2025 at 01:52 PM

“ *Words cannot describe how much she meant to me.*

She was a true friend. Oftentimes, when I was feeling overwhelmed by things, she would somehow just know and would arrive at my door ready to help in any way she could.

We were extras in the second Spinal Tap movie when it was being filmed out at the UNO Arena. If she hadn't been there with me, I might have gone insane because of how mind-numbingly tedious, boring and horribly managed that shoot was.

We played this game she loved that involved dice and keeping track of things on paper. The process arrive at a winner was so convoluted that I almost stopped playing, but she said to just stick with it and I would "get it.". I did, and when that lightbulb lit up in my head she grinned at me and said, "See, I told ya."

I miss my Sister Ez so very much. I still break down in tears when I am reminded of her somehow.

There are precious few people like her in the world, and I am so incredibly lucky to have had such a remarkable friend.
