“ *My sister was one of the most caring, accepting and non-judgmental individuals I had the privilege to know. She was always attentive to my needs; whether it was 0100 or 1300, she would pick up the phone and we'd chat for hours. It's fascinating to note: as I am reviewing my photographs, we don't have many shared moments. Fortunately, she has left me with a substantial amount of delightful memories. I hope you'll rest in heaven alongside Grandma Myrtle, Uncle Arthur and the rest of the family. Until we meet again, I'll be missing you.*
