“ My dad was always a serious person, but he had a good heart and would do anything for me and my brother. I will miss him so much more than I thought I could miss anybody, I love you dad.

“ Tommy helped me out when I first started working in his department. Tommy had the knowledge and patience to teach me about the operating systems they used. Tommy had a reputation for getting things done against all odds. He earned the nickname "Make it Happen Hoyt", I will miss him greatly as a friend and co-worker. Rest in peace buddy.

Tommy was working with the Parish when I started in January of 1984, then years later when he came back to the Parish. Tommy was always joking around, but he took his job seriously & really cared about getting the job done right! I will miss you friend! RIP!
